

Welcome to the official guide for the Multimodal 2026 **Event App**.

Scan to get started!

Install Event App / How to access the App

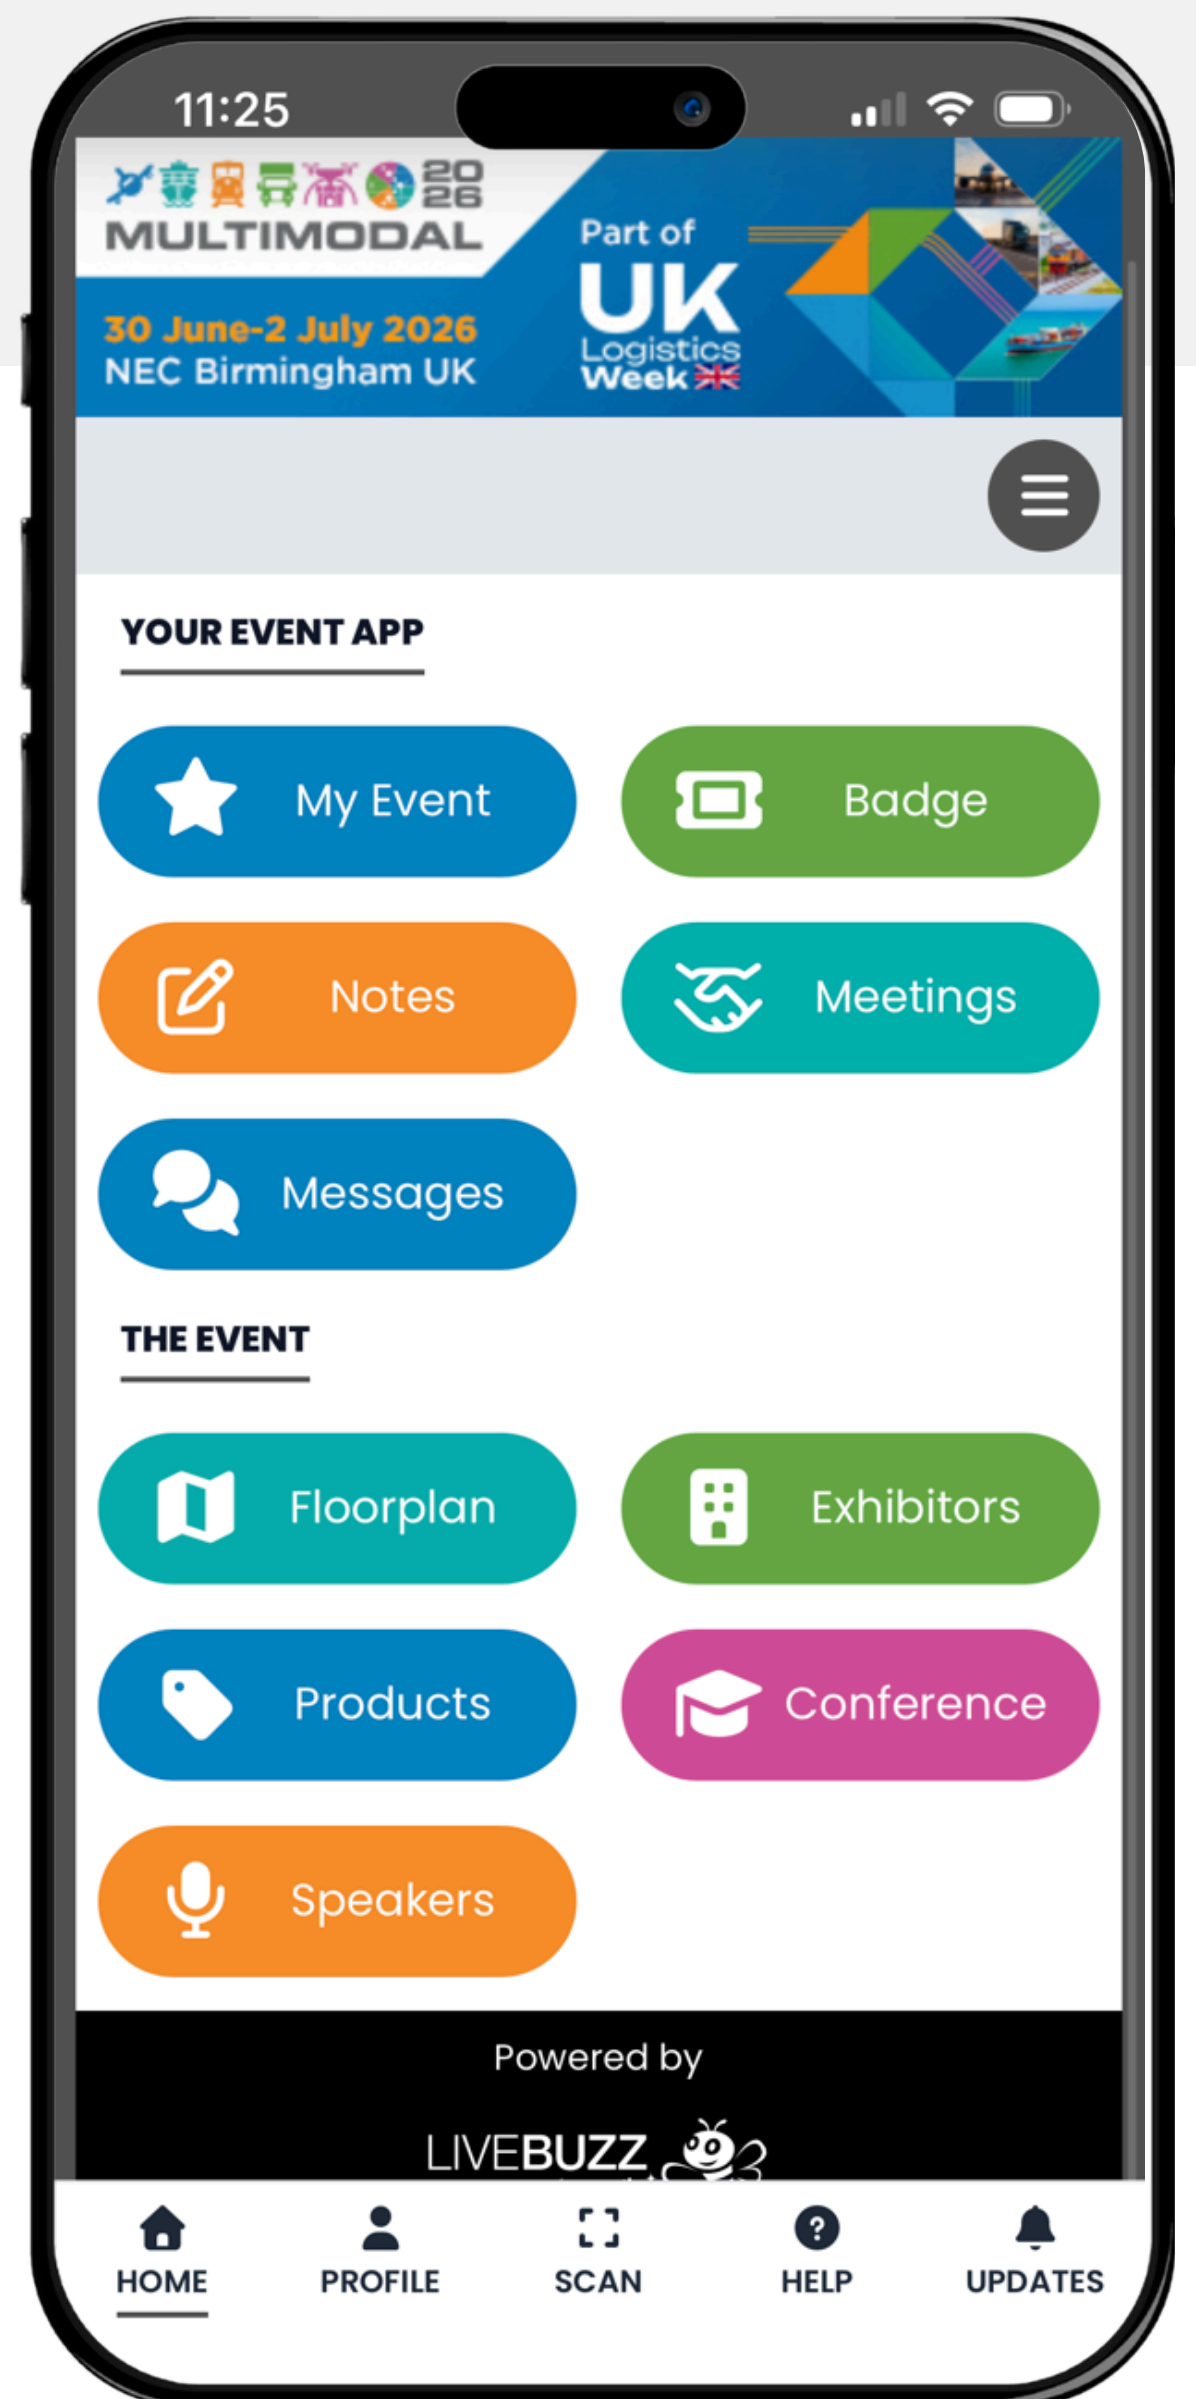

To get the most out of your day install the Multimodal Event App, you can view all the details about the show and the Sponsors, Exhibitors and Partners.

You'll be able to see the **agenda** and **favourite sessions** to make the most of your visit to **Multimodal** on **30 June – 2 July 2026**.

You can **log in** easily via your **confirmation email**, or your app access email. This is the easiest way to access the app, it will log you directly into your own account – no passwords or codes needed!

Alternatively, click [here](#) or scan the **QR code** above on your mobile to login to the Multimodal 2026 Event App with your registered mobile number!

If you registered with a different number, please enter the email address you used to register for Multimodal to log into the Event App.

More Features at your fingertips
